Volunteer Opportunities Available in Northeast St. Petersburg:

Westminster Palms is an active living retirement community located in the Old Northeast neighborhood. We have many volunteer opportunities for adults, as well as for high school and college students. For high school students, we have a program designed to fulfill requirements for both Bright Futures and the I.B. programs. For college students, we can work with your instructors to fulfill program or internship requirements. And for all of our volunteers, we provide opportunities to fulfill, enrich and make a difference in your own life and in the lives of those you reach out to.

Some current examples of volunteer opportunities:

- **Friendly Visitor** – one-on-one visits with residents (including talking, reading aloud, playing a game, assisting with a project, etc.).
- **Walk and Roll** – walk and visit with residents on the grounds or in our neighborhood.
- **Game Facilitator** – organize and play group games with residents (card games, board games, physical play, etc.).
- **Activity Support** – assist staff with various scheduled Activity Programs (parties, events, outings, music programs and more).
- **Teach a class** – in your area of interest or expertise, one-on-one or in a group (such as basic computer and e-mail skills, arts and crafts activities, gardening, reading and discussion groups, and others).
